SUMMARY

Amazon Portfolio Manager with 5+ years in Private Label and Wholesale, leading a team that manages 10+ brands across Electronics, Grocery, Beauty, Vitamins, and Sports & Outdoor. Generated $10M+ in Private Label sales and $1.5M in Wholesale sales with $400K+ ad spend. Skilled in PPC, Search Query Performance analysis, account audits, weekly business reviews, product launches and listing optimization, building compliant and profitable brands.

WORK EXPERIENCE

Amazon Portfolio Manager (CommerceKind) **July 2024 – Present**

- Promoted from Brand Manager to Portfolio Manager, leading 10+ Private Label brands and their Brand Managers
- Own month-over-month growth, PPC oversight, brand strategy and client communication across the portfolio
- Run weekly business reviews, OKRs, daily huddles and brand performance reviews with the team and clients
- Built a daily portfolio tracking system: brand health scores, issues ranked by priority, owner and days open
- Managed $400K+ in PPC ad spend, improving ACOS/TACOS efficiency while scaling profits
- Built SQP + PPC dashboards and use POE & keyword ranking insights to grow visibility and cut wasted spend
- Led product launches, listing, image & A+ content optimization; wrote SOPs and trained new team members

Amazon Virtual Assistant (Freelance) **Jun 2024 - July 2024**

- Managed $10M+ in ordered sales across multiple Amazon accounts while monitoring account health
- Crafted SEO-driven titles, bullet points, descriptions, and A+ Content to scale Private Label brands
- Optimized PPC campaigns to boost visibility, conversions, and reduce ACOS

Amazon FBA Wholesale Team Lead (Upcomm Solutions) **Feb 2022 – Jun 2024**

- Led a team to source and onboard profitable wholesale products, generating $1.58M+ in sales
- Handled brand approvals and supplier relationships, from first outreach to price lists and purchase orders
- Implemented listing optimization and inventory management to enhance rankings and keep accounts healthy
